

Leiston Amateur Radio Club

Data uses

All data held by the club, of the members, may be used for the following purposes:

- For the club secretary and other committee members to contact members on behalf of other club officials and other club members without giving any unauthorised members contact details.
- The club secretary may contact the members to inform them of club matters including, but not solely, AGM, EGM, coming events and canceled events.
- The club secretary may pass members details, after getting written permission to do so, for contacting outside organisations including, RSGB and other Radio clubs of interest.
- The groups.io authorized members may use, the members email address, to offer an invitation to join the said groups.io, but only after they have been asked to do so by the club member wishing to join the groups.io
- Other third party organisations may be offered to the members, via the club secretary, but no contact details will be forwarded to the third party organisations unless the member asks the secretary to do so.
